Rides to Wellness - (810) 780-8946

Rides to Wellness is a comprehensive non-emergency medical transportation program that provides mobility management, door-to-door service, and same day service to riders going to medical or other health and wellness-related appointments.

Who can use Rides to Wellness?

Rides to Wellness is open to all passengers of the general public who reside in the MTA's service area. If you are interested in utilizing the services of Rides to Wellness, please call (810) 780-8946 for more information. In addition to serving the general public, Rides to Wellness provides service to passengers who may be connected with Rides to Wellness partner agencies. Rides to Wellness partner agencies provide transportation to older adults, persons with disabilities, and the transportation disadvantaged in Genesee County. Please click on the links below to learn more information about the partnerships and how an agency you may be affiliated with offers Rides to Wellness transportation to its clients.

Partner agencies include:

Genesee County Department of Veterans Services – offer FREE door-to-door, same day, or pre-scheduled transportation to qualifying veterans, their spouses or surviving widows

Vets to Wellness

Riders can travel to locations throughout Genesee County, as well as select out-of-county destinations. No longer will a lack of transportation keep local veterans from getting to doctor's appointments, the pharmacy, the grocery store, farmers' markets and other community resources. Call the Genesee County Veterans Services Office to establish eligibility: 810-257-3068 *To qualify, veterans must be honorably discharged from military service and a resident of Genesee County.* Watch the Vets to Wellness video for more information:
